

FOCUSED ON QUALITY. DRIVEN BY INNOVATION.

To Our Valued TRAC Connect Customers:

Effective February 1, 2025, any chassis that out-gates from NS Croxton or CSX South Kearny (each a "Rail Terminal") and terminates to the other Rail Terminal or any other Metro Pool Stop location may incur a Chassis Misuse Fee of \$250.00.

This fee will be assessed on a net imbalance basis, i.e., motor carriers who out-gate more chassis during each month from a Rail Terminal than they return to that Rail Terminal by the end of such month will be charged a Chassis Misuse Fee in an amount equal to \$250.00 *multiplied by* the excess number of chassis out-gated from such Rail Terminal.

Thank you for your continued support.

Sincerely,

Jake Gilene
